

Statement of account

What types of certificates you can upload to your application

- Standard bank statement from a Czech bank (internet banking)
- Statement from a foreign account, but a screen print from a foreign bank account will also suffice

What elements must be included in the confirmation you upload

Statement from a Czech bank:

- **Generated account statement from internet banking**
 - Name and surname of the account holder
 - Opening balance + closing balance as of the last day of the month preceding the month of application example: application submitted in February, the account statement will be accompanied by the balance on the account statement as of 31 January).
 - The account balance must correspond to the attached bank statement

Statement from a foreign bank:

- **The account statement must include the name of the account holder,**
 - Beginning balance + ending balance as of the last day of the month preceding the month of application example: application submitted in February, the account statement will be accompanied by the balance on the account statement as of January 31).
 - The account balance must correspond to the attached bank statement
- **The screen print must include the name of the account holder, the date of the balance**
 - Account balance must match the attached bank statement
 - as of the last day of the month preceding the month of application example: application submitted in February, account statement will be attached with the balance on the account statement as of January 31).
